

baila fuego!

LICHT FASZINATION FEUER

EXTRAORDINARY ORCHESTRATION

Wondrous glowing balls and clubs emanate out of the blue and are seized by the artists. In almost hypnotic timeless dance movements each dazzling form of light gels from one into the other.

Fire torches whipping rhythmically through the air displaying racing fiery images, accelerating to a cracking climax.

The exceptional choreography enchants the audience during this wondrous trip through the magical world of light and fire.

baila fuego! is a co-production between the professional jugglers, Christian Dirr and Michael Wibbelt.

This show can be easily combined with any of the other elements of the Artists extensive repertoire.

baila fuego! is the ultimate final act for any event.

"With great charm, these two juggle their way into the hearts of the audience, who, by the end of the performance, are jumping for joy!"
